

The Program

To Qualify

- You must be enrolled full-time in a local high school in your junior or senior year of studies.
- You must have the written permission of your principal or superintendent.
- You must apply to CVCC for admission (no fee is required to apply for admission).
- You may have to take a placement exam and attain scores that allow placement in a math or English course.

For more information, **contact your high school career coach**, call (434) 832-7800 or visit the TechPrep web site:

<http://www.cvcc.vccs.edu/workforce>

CVCC is an Equal Opportunity/Affirmative Action Institution and conforms to the requirements of the ADA. • VTDD (434) 832-7701

Get a head start on your College Education.

- Earn between 3 and 18 college credits while still in high school.
- Save money — school systems subsidize all or part of the tuition, books and fees.
- Space is limited in the dual enrollment technology programs.
- Contact your high school career coach for information about these programs.
